Data in Higher Education Statistics
Austrian Federal Ministry of Education, Science and Research

Legend:
— BMBWF-Data
···· Statistics Austria-Data

Intellectual capital reporting indicators:
- Intellectual Capital
  – Human Capital
  – Relational Capital
  – Structural Capital
- Core Processes
  – Teaching and Continuing Education
  – Research and Development
- Output of Core Processes
  – Teaching and Continuing Education
  – Research and Development
- Specific Indicators
  – for medical universities
- Optional Indicators
  (Individual performance presentation of one or more universities)

Public Universities

Staff [per semester]
- University (groups of universites)
- Sex
- Age
- Citizenship (groups of states)
- Highest completed education
- Employment relationship
- Beginning of employment relationship
- Type of employment (e.g. temporary)
- Extent of employment in full-time equivalents (per year)
- Deployment (e.g. university professor)
- Start of deployment
- Function (e.g. Rector)

Students/ degree programmes [per semester – weekly available] and graduates [per academic year]
- University (groups of universites)
- Sex
- Age
- Citizenship (groups of states)
- Community (political district; federal state)
- Mobility (incoming/outgoing)
- Host country
- Gen. uni. entrance qualification
- Date of uni. entrance qualification
- Studies (groups of studies national & ISCED)
- another educational institutions at the teaching network (Lehrverbund)
- Type of Studies (degree/non-degree)
- Type of degree programme
- Counting quantities for persons and studies (e.g. students/studies)
- Beginning and ending (e.g. first-year students & graduates)
- Tuition fee status

Space [per year]
- University (groups of universites)
- Real estate (address)
- Usable area
- Main rent/year
- Operating cost/year
- Value-added tax/year

Intellectual capital report [per year]

Financial statements [per year]

UHStat 1 – Social background of first-year students [per academic year]
- University (groups of universites)
- Sex
- Student employment status
- Educational attainment father/mother
- Level of the highest degree father/mother

UHStat 2 – Study-related stays abroad by graduates [per academic year]
- University (groups of universites)
- Sex
- Number of stays abroad
- Destination of stays abroad (EU/third countries)
- Duration of stay (under 2 weeks, 2 weeks to 1 month, over 1 month)

Exam activity [per academic year]
- University (groups of universites)
- Sex
- Citizenship
- Studies (groups of studies national & ISCED)
- Type of degree programme
- Exams taken (positive) in semester hours/ECTS
- Study tier

University entrance qualification examination [per academic year]
- University (groups of universites)
- Sex
- Age
- Citizenship (groups of states)
- Goal-Studies (groups of studies national & ISCED)
- Type of Studies (degree/non-degree)
- Type of degree programme
- Application date
- Date of entrance qualification

- University (groups of universites)
- Individual items from the balance sheet and profit and loss account by Rechnungsabschluss-VO

University Colleges of Teacher Education

Students and graduates
- University College (Location)
- Sex
- Age
- Citizenship (groups of states)
- Community (political district; federal state)
- Gen. uni. entrance qualification
- Studies (groups of studies national & ISCED)
- Type of Studies (degree/non-degree)
- Type of degree programme

Staff
- University College (Location)
- Sex
- Employment relationship
- Type of employment (e.g. temporary)
- Extent of employment
- Deployment (e.g. university professor)

UHStat 1 – Social background of first-year students
UHStat 2 – Study-related stays abroad by graduates [pro Studienjahr]
- University College
- Other features analogous to public universities and universities of applied sciences

Universities of Applied Sciences

Staff [pro Semester]
- Provider
- Location
- Sex
- Age
- Citizenship (groups of states)
- Highest completed education
- Employment relationship
- Type of employment (e.g. temporary)
- Extent of employment
- Deployment (e.g. academic research and teaching)
- Function (e.g. Rector)

Students [per semester] and graduates [per academic year]
- Provider
- Location
- Sex
- Age
- Citizenship (groups of states)
- Community (political district; federal state)
- Mobility (incoming/outgoing)
- Type of university entrance qualification
- Date of university entrance qualification
- Organisational form (e.g. part-time)
- Studies (groups of studies national & ISCED)
- Type of Studies (degree/non-degree)
- Type of degree programme
- Beginning and ending (e.g. first-year students & graduates)

UHStat 1 – Social background of first-year students [per academic year]
- Provider
- Sex
- Student employment status
- Educational attainment father/mother
- Level of the highest degree father/mother

UHStat 2 – Study-related stays abroad by graduates [per academic year]
- Provider
- Sex
- Number of stays abroad
- Destination of stays abroad (EU/third countries)
- Duration of stay (under 2 weeks, 2 weeks to 1 month, over 1 month)

Private Universities

Students and graduates [per academic year]
- Private university
- Location
- Sex
- Age
- Citizenship (groups of states)
- Federal state
- Studies (e.g. ISCED)
- Type of degree programme
- Beginning and ending (e.g. first-year students & graduates)

Staff [per academic year]
- Private universities
- Location
- Sex
- Age
- Highest completed education
- Employment relationship
- Type of employment (e.g. temporary)
- Extent of employment
- Deployment (e.g. teaching and research)
- Function (e.g. Head of the educational institution)

UHStat 1 – Social background of first-year students
UHStat 2 – Study-related stays abroad by graduates [pro Studienjahr]
- Private universities
- Other features analogous to public universities and universities of applied sciences

OECD – international educational indicators (EAG)
- Level of education (secondary/tertiary)
- Share of new entrants
- Share of graduates
- Share of graduates - doctoral programmes
- International and foreign students
- Student-teacher ratio
- Total expenditure on educational institutions
- Public expenditure on educational institutions
- Total expenditure on educational institutions per full-time equivalent student
- Gender Pay Gap in the tertiary sector
- Completion rate of upper secondary education (survey takes place every two years)
- Completion rate of upper secondary education, plus 3 years (survey takes place every two years)

---

22 Public Universities
14 University Colleges of Teacher Education
17+1 Private Universities
21 Universities of Applied Sciences
